

GIVING WITH GROSCHÉ

Drinkware with
real-world impact.

Don't just have your brand be memorable—have it transform lives around the world.

Join GROSCHÉ in their mission of providing safe drinking water for families facing the global water crisis.

With every GROSCHÉ product purchased, you help fund the installation of household BioSand water filters that last up to 30 years for communities in economically underdeveloped regions.

For more information or a quote, please call us at 800.784.9666 x104.

Nearly 1 in 7 people are forced to drink polluted water.

GROSCHÉ provides a lasting solution for the thousands of people living without a clean water source. With projects based in India, East Africa, and the Philippines, the BioSand filters purify water using gravel and sand. This means no harmful chemicals, no need for electricity, and no replacement cartridges required.
